Responsible Renter Program:

Bad credit, evictions, and criminal history can make finding a home difficult. Learn about what resources are available at the Responsible Renter Classes. Each class is made up of three sections:

Money/Debt Management Learn how to improve your methods for managing money and bettering your credit. Receive information on budgeting, banking, and borrowing. Find out how to get a free credit report and make a debt reduction plan.

Tenant's/ Rights & Responsibility Learn about the Landlord Tenant Law, evictions, fair housing, accommodation for disabilities, service animals and Renter's Insurance.

Finding Home Make a plan for finding housing. Learn about rental applications, landlord interviews, screening reports, deposits, fees and leases.

Responsible Renter class on May 14th: All genders may attend this class.

Day of Dignity: In advance of Mother's Day, come shop for a special gift for yourself and a loved one. We will also have pampering products and items for self care.

You will be asked to wear a mask. You will be given a mask that must be worn at all times while at The Hearth for safety.

You will be required to wash your hands with soap and water. Your temperature will be taken.
